

L'Echo | De Tijd

Fonds

90%* of the readers of De Tijd | L'Echo are **investors**. 7 out of 10 readers invest specifically in funds. As they own 39%* of the Belgian financial assets, they have the means to invest. **Fonds**, the fund magazine of De Tijd | L'Echo provides **dedicated and specialized information regarding funds** allowing the readers to make the most reliable choices in their investment decisions.

As from **Wednesday 13 March**, Fonds will get a **totally new look with more pages, brand-new lay-out, more interviews and explanations.**

This **monthly** comprehensive and extensive **magazine** will still report on **specific topics of the fund market**. The increased number of pages allows the editorial staff to dive deeper into specific fund topics.

Target audience:

- Private investors & High Net Worth Individuals
- Finance professionals
- Brokers, financial professionals

Editorial topics:

- Interview with fund managers
- Insights & advice by fund experts in the field
- The hot topics of the world of funds
